

School Board Races

2022

Compiled by the Brevard Federation of Teachers

The 2022 Primary Election is August 23. This is an important election because District 1 and District 5 School Board members **will be decided on that date as there are only two candidates in each race.** District 2 could be decided if any candidate has more than 50% of the vote, which is unlikely with 4 candidates in the race.
